

THE SAVANNAH POP-UP SHOP EXPERIENCE

SAVANNAH SAUCE COMPANY

SavannahSauceCompany.com

Inspiration for Savannah Sauce Company began many years ago in the Savannah kitchen of Mike Roberson's maternal grandmother, Henrietta Smith. Today, his company makes sauces, jams, and other products that generally reflect the flavors he enjoyed growing up in Savannah. Savannah Sauce Company's products are all made in Georgia: all locally-sourced and all natural.

SALACIA SALTS

SalaciaSalts.com

Salacia Salts, named after the Roman Goddess of Salt Water, is a body care and home fragrance line inspired by the South and sea using natural ingredients and regional botanicals. Salacia has a gift shop featuring their products plus 35+ local and handmade artisan products in Savannah where the product line was created.

18LOVES

18Loves.com

Amelia is a local Savannah artist who is a passionate optimist and a good vibes enthusiast, and it is her objective to radiate these feelings throughout her artwork. Every time a new piece is created, it's made with the purpose to inspire, to love, and to encourage yourself and others. They're visual feel goods. Her art creations include canvas prints, vinyl stickers, magnets, coasters, and more!

SAVANNAH CHEESE STRAW COMPANY

TheSavannahCheeseStrawCompany.com

This locally-owned cheese straw company makes perfectly delicious crunchy cheese straws that are perfect for snacks or a gift. They are made with the freshest ingredients "that grandma loves." A savory and southern delicious tradition!

SAVANNAH BEE COMPANY

SavannahBee.com

Savannah Bee Co. is committed to bringing customers the most delicious honey sourced from beekeepers around the world, most of whom they know by name. These beekeepers share their passion for saving the bees, and each of their carefully-tended hives promotes a healthy bee population and a better environment. With each jar of honey, bee-powered beauty product, and cultivated hive, we're working to save the bees. And with every purchase from Savannah Bee Company—you are too. Their stores are interactive destinations where you can enjoy guided honey tastings of single source and wildflower varietals and sample hive-powered, skin-nourishing body care products.
