Updated 02/02/2021
ESTO is the definitive destination marketing conference in the United States.

This U.S. Travel Association signature event combines high-quality, unique, travel-focused content and indispensable industry networking to create an unforgettable experience. This immensely popular annual event routinely draws attendees from nearly every state and U.S. territory tourism office, along with local and regional destination marketing organizations.

An ESTO highlight is the awards dinner, where we honor marketing excellence:

- The Destinations Council Destiny Awards honor creative and results-driven marketing programs and special projects by destination marketing organizations.
- The National Council of State Tourism Directors (NCSTD) Mercury Awards honor outstanding state tourism office programs.

Attendee makeup includes seasoned industry veterans with 49 percent having worked in the travel industry for more than 10 years and about 40 percent working directly in marketing. Based on ESTO attendee survey feedback, more than 80 percent of attendees say they enjoy meeting with vendors at ESTO.
