ESTO is the definitive destination marketing conference in the United States.

This U.S. Travel Association signature event combines high-quality, unique, travel-focused content and indispensable industry networking to create an unforgettable experience. This immensely popular annual event routinely draws more than 800 attendees, representing nearly every state and U.S. territory tourism office, along with local and regional destination marketing organizations.

An ESTO highlight is the awards dinner, where we honor marketing excellence:

- The Destinations Council Destiny Awards honor creative and results-driven marketing programs and special projects by destination marketing organizations.
- The National Council of State Tourism Directors (NCSTD) Mercury Awards honor outstanding state tourism office programs.

ESTO ONLINE MARKETPLACE

All sponsors will have access to this online platform to share marketing materials with ESTO attendees year-round! The innovative Online Marketplace connects ESTO attendees, sponsors and speakers before, during and after ESTO. Attendees can view, share and download the latest sponsor brochures, white papers, research, multi-media campaigns, press releases and more. The platform will also feature the latest U.S. Travel research, toolkits and other resources. Email summaries will be delivered to the inboxes of more than 800 attendees to drive traffic to the Online Marketplace and provide additional exposure for sponsors.

TARGET AUDIENCE PROFILE

More than 800 attendees are expected. Attendee makeup includes seasoned industry veterans with 49 percent having worked in the travel industry for more than 10 years and about 40 percent working directly in marketing. Based on ESTO attendee survey feedback, more than 80 percent of attendees say they enjoy meeting with vendors at ESTO.
